

La Sella - 26th February 2019

On the 26th February 2019 U3a Golf Moraira-Teulada played their fourth game of the year at the exceptionally difficult La Sella. This is a rare visit to this "local" course, not used as much because of the high price of green fees and buggies. The course was in moderate condition with muddy fairways making difficult to place a ball within the limit of our rules. This is a Championship Course and I would have thought maintaining the quality during the winter season was still possible. The greens were in good order but with the usual "difficult to read" comments. Nevertheless there were some good scores on the day and several members have been cut. There were also some scores somewhat lower than expected (me for one!). How I envy those golfers who always seem to play at a good standard, no matter what course or conditions.

Once again we had another lovely day with sunshine and light winds. I think this has been one of the best winters I can remember, very few games having been affected by inclement weather. As usual we had a mixture of walkers and those in buggies. Generally the games moved along at a good pace whether walking or not, helped by the sensible policy of allowing buggies on the fairways (Villaitana take note). I'm sure we will be back but at the cost, not again soon. It's a shame as it is so convenient for our Society as most members live within 20 minutes drive

We had our usual introduction reminding players to keep up with the group in front and then explaining the format for the day. On this occasion we played Individual Stableford with two nearest the pins and a sweep stake for lost balls (a rollover from the last game). I am pleased to say that my wife, Elke, guessed the right number but the money went straight in her pocket!

The results:

1st with a score of 39 points, Peter Davies

2nd with a score of 39 points, Len Salter

3rd with a score of 36 points, Malcolm Legg

Nearest the Pins winners were Stuart Boud and Rob Mitchenall

Congratulations to all our winners.

After the game we had our AGM which lasted all of 30 minutes. The Accounts were approved followed by the election of the Committee, one change Myers Logan comes in as our new Vice President, welcome to him. A final reminder was then given about our next game at Alicante on the

12th March, first tee 12.10.

To play for the society you first need to be a member of the U3A Moraira/Teulada which meets on the first Monday of every month at the Salóns G.L, Avenida del Mediterráneo 32, Teulada at 10:30 a.m., except July and August. All new members welcome whatever your standard of golf.

Regards,

Robin
