

U3 GOLF MORAIRA STABLEFORD ALICANTE GOLF 27 FEB 2018

On the 27th February 20 brave souls arrived at Alicante Golf for the one of the twice monthly golf days. However, on this occasion the weather was not kind. It was raining when we arrived and continued for most the 5 hours it took to complete a round. Fortunately, most brought wet gear and were well wrapped up against the elements. I managed to leave my hat at home but was kindly lent one by my buggy partner. I did wonder why those that live in Spain would submit themselves to such an ordeal!

The format was Individual Stableford, based on handicaps. There were some very low scores but also some players who clearly could play in any conditions.

In detail: 1st with 36 points, Len Salter, 2nd with 35 points, Myers Logan and 3rd with 30 points, Peter Thompson.

The Ladies prize was taken by Angela Thompson with 27 points.

Nearest the pins were John Ross and Graham Gould.

Congratulations to all the winners.

Our next game will be at Alenda on the 13th March.
